Dear Idaho Agricultural Employer:

Thank you for continuing to supply the agricultural products we all need and enjoy while keeping a healthy workforce during these challenging times.

Enclosed are the following guidelines, information and required postings that you may find helpful:

1. COVID-19 Guidance for agricultural employers/workers issued by the Idaho Department of Health and Welfare on May 1, 2020
2. A set of bilingual posters courtesy of Saint Luke's Hospital, which can be posted as a good reminder to employees on COVID-19 Prevention
3. A bilingual Migrant and Seasonal Agricultural Worker Protection Act Poster (Posting is required for farms employing seasonal and/or migrant agricultural workers)
4. Fact sheets published by USDOL- Wage and Hour on requirements for
 - Field sanitation
 - The employment of minors in agriculture
5. Bilingual H2A poster, required of employers participating in the H2A program

Additional copies can be requested by emailing Dunnia.aplicano@labor.idaho.gov.

Sincerely,

Jani Revier
Director
