**NOTE:** This list contains the State of Idaho's preferred/designated medical providers for workers' compensation accidents, injuries, illnesses and occupational exposures. An employee who is requesting medical treatment for a work-related accident, injury, illness, or occupational exposure is required to seek medical treatment with one of the above listed medical providers. If an employee chooses not to seek treatment with one of the above listed medical providers, the employee may be responsible for any/all expenses associated with their medical treatment.
