NOTE: This list is the State of Idaho's preferred/designated medical providers list for workers compensation accidents, injuries, illnesses and occupational exposures. An employee who is requesting medical treatment for a work-related accident, injury, illness or occupational disease is required to seek medical treatment with one of the above listed medical providers. If an employee chooses not to seek treatment with one of the above listed medical providers, then the employee may be responsible for any/all expenses associated with their medical treatment.
