

2023 Legislative Session Update

DHR legislation is moving right along! The Senate Commerce and Human Resources Committee approved DHR rule changes which will go into effect on July 1st. Please make sure to review the changes [here](#) on pages 3-18 to begin preparing for policy and process updates at your agency.

House Bills [13](#), [15](#), [16](#), and [17](#) were passed through the House and will move to the Senate to be heard. We will send out hearing dates once we have them.

House Bill [14](#) is being revised and will have a new print hearing on Tuesday February 7th at 1:30 in the House Commerce and Human Resources Committee. Once it is assigned a new bill number, we will send that out.

For any questions on how DHR legislation affects your agency, please contact Michelle Peugh, HR Policy and Program Officer, at michelle.peugh@dhr.idaho.gov.
