Greetings!

You are receiving this email in preparation for Idaho's 2023 Annual Cybersecurity Training campaign. Please review the following items carefully:

- Training will be sent to all employees on **Wednesday, March 1st, 2023,** and will be due by **Friday**, **March 31st, 2023**.

- In 2022, 96% of organizations were targeted by an email-related phishing attempt. (Mimecast, 2023) Due to this, it is more important now than ever to be diligent in preventing security breaches for your agency.

- The attached flyer contains helpful information for logging into your account prior to the training deployment to verify your credentials. You can also go directly to www.knowbe4.com to verify your credentials using the Account Login button.
  - *Your password may not match your other agency-related passwords. Try resetting your password if you cannot log in.*
  - *Make sure to use Google Chrome or Microsoft Edge to access KnowBe4. Internet Explorer will not work.*
  - *Still having trouble? Email cybertraining@dhr.idaho.gov for additional assistance.*

- Concerned this is a phishing email? Visit dhr.idaho.gov/trainings/cybersecurity to validate and review this information.

- New Employees: If you do not have a KnowBe4 account yet, you will receive a separate email from KnowBe4 confirming your account creation on March 1st.

Be on the lookout on March 1st for an email notification of your enrollment in this training course and click the link to log in and begin the training.

Thank you for your diligence in protecting the state's network!
